Join our Board

Social enterprise is an idea whose time has come.

The social enterprise movement is ready to **shape the post-pandemic recovery**, and we want you to join us.

Social Enterprise Network Victoria (SENVIC) is an **independent, practitioner-led community of change makers**, and a powerful force for good. We foster networking and connection of social enterprise practitioners and enablers, enhance access to learning and development opportunities and raise the voice of the sector with government and other key stakeholders.

From humble beginnings in 2018, **SENVIC has built a community of over 750 members today**. We are one year into a new phase of development and renewal.

Help us in our quest to grow a thriving social enterprise sector in Victoria.

SENVIC is seeking two passionate individuals with a commitment to social impact and change to join our Board in 2022.

Together we will foster a dynamic and inclusive board culture in which we each contribute our skills and experience to create collective impact.

Are you ready to drive the growth and sustainability of SENVIC?

What is the commitment?

The Board meets bimonthly, six times each year.

Directors are expected to also attend Committee or Strategic Working Group meetings between each Board meeting.

A Strategic Planning Day is held in-person annually.

We endeavour to meet in-person once a quarter with most meetings being held online.

Directors are expected to be involved and attend key events throughout the year.

Our current Board as at 1 July 2022 includes:

Cinnamon Evans, CEO of CERES (SENVIC Chair)
Craig Marshall, Game Traffic & Contracting
Bec Scott, Co-founder and CEO of STREAT,
David Brookes, former CEO of Social Traders
