

# Social Enterprise Network Victoria

Strategic Plan 2019-2020

## **Vision**

A just, inclusive and sustainable society.

## **Purpose**

To establish a thriving social enterprise sector in Victoria.

## **Principles**

An independent, practitioner-led network.

Optimistic, energetic and entrepreneurial.

Open and responsive to the needs of the social enterprise sector.

Collaborate with and support the development of the broader social enterprise ecosystem.

Use resources effectively for impact.

# Strategic objectives

## Connect

### To build a connected community of social enterprises

#### Activities:

- Inviting social enterprises and supporters to join and participate in the network.
- Circulating a periodic email communication to network participants.
- Developing a calendar of social enterprise events.
- Organising and facilitating network events to foster relationships, collaboration and business opportunities.
- Contributing to the design and development of Social Traders' annual social enterprise conference and awards.
- Encouraging and supporting the emergence of self-organising sub-networks and/or communities of practice.

## Develop

### To facilitate access to learning and development opportunities

#### Activities:

- Informing the design, development and content of an online presence.
- Acting as the moderator of an online knowledge exchange forum.
- Providing a directory of learning and development opportunities.
- Supporting and enabling learning and development opportunities for social enterprises.

## Influence

### To increase the voice and influence of social enterprise

#### Activities:

- Providing thought leadership for the sector.
- Providing a collective voice for social enterprises to governments and other key stakeholders.
- Participating in government and key stakeholder forums, committees, etc.
- Facilitating network input to governments on social enterprise policy and strategy.
- Engaging with other similar network initiatives across Australia and overseas to facilitate broader collaboration opportunities.
